

# A Simple Truth

THE WAY THAT LEADS TO LIFE

## *LET LIGHT SHINE OUT OF DARKNESS*

It was God who commanded light to shine out of darkness. When He saw light, He said it was good. When God calls something good, what He is saying is that it is complete in the purpose He intended. . In the sequence of events during the creation, “light” was released to shine on the first day. Then He separated light from darkness. On the fourth day the sun, the moon, and the stars were made. Each of these can only illuminate light – they are not light. Before anything else could be released, made or formed by God, light had to be separated from darkness.

What does light represent? Light symbolizes life, purity, and truth while darkness symbolizes chaos. Chaos is disorder and we know God to be One of order for He took all that was formless and void and brought it into Divine order. In our fallen state – our minds blinded by the god of this world- our acceptance of Jesus as Savior and Lord gave us access to the light of life. It began the process of us receiving the light – life, purity, and truth – so that it would shine forth out of our hearts, the center of our mind, will, emotions, imagination and intellect.

The chaos or disorder of our heart must give way to the Light of Life and Truth so that we may come into the understanding of the glory and greatness of God, our Father and Creator. Will we allow Truth to illuminate and change every area of our lives that still remains in chaos? As we do, we will live to the fullest of our purpose in the earth which was predetermined for each of us before the foundation of the world.

God has the authority and ultimate right to call us out of darkness into His marvelous light. Will you heed the call and come? The way to the Father through Christ has been illuminated by the Holy Spirit who teaches us all things that pertain to life and godliness.
