

A Simple Truth

THE WAY THAT LEADS TO LIFE

The One Only Being

In the beginning, as stated in the Book of Genesis, God created the heavens and the earth. Within the context of this scripture, the Hebrew name for “God” is Elohim, which represents the *One only Being*; fully expressed as God the Father, God the Son and God the Holy Spirit. God reveals Himself to man as Creator, Ruler and Lord. As we take a closer look at the first verse in chapter 1 of Genesis, we find that God (Elohim in the plural) created (in the singular) the heavens and the earth. It was the plurality of God in harmony and unity, who created that which is seen and unseen, the visible and the invisible. Although there are many who do not know God or whom simply refuse to acknowledge the reality of an omnipotent, omniscient and omnipresent God, there is evidence throughout the Word of God and all creation of His existence, His nature and His power.

The attributes of God are seen in His works. He created all things – producing and establishing that which has never existed before –through Christ. God as the Creator is the *One* who was and is and will be before all things that are created. Man’s fallen nature was darkened to the truth of his relationship to and with God when he was spiritually separated from the *One* who created him. Therefore, man’s divinely inherent nature to worship and commune with God became corrupted and man in his perverted or twisted state of being began to worship the creation instead of the Creator.

Although none of us have seen God, we have evidence of God in the light of creation and in the light of His Son, Jesus Christ. Jesus, the first-born of all creation, is the expressed image of the invisible God.
